GUESTHOUSES

## Guesthouses

Nested within the quiet sun-heated sands of **local islands** are the most "exotic" experiences Maldives can offer for its visitors; the Guesthouses. They are quickly gaining popularity around the world for their unique style and services. Each guest house is craftily designed and decorated by locals meeting the standards of comfort and hospitality Maldives is reputed for. Some of the guest houses are offering services to guests that closely compete with the high-end luxuries of the resorts. The guest houses are designed to offer the **best of both worlds; experience the exotic island life while enjoying the comfort and luxury of a hotel**.

## Liveaboards

Maldives boasts over hundred Liveaboards or Safari boats. These boats offer have a wide range of **accommodation facilities aboard**. From double decker beds to king size suites, private bathrooms with hot and cold water and satellite TV. There is a great range of types of vessels available for hire. From traditionally built wooden vessels to **modern designed cruisers** with a range of **luxurious facilities** such as built in Jacuzzis. All the Liveaboards come with their own chefs, professional dive or surf instructors. The vessels have a support secondary boat or **Dhoni** to take you to your diving sites, Island excursions, surf spots and other adventures that lounge in our **endless floating islands**.
